

REMARKS/ARGUMENTS

A terminal disclaimer is enclosed. Thus, only claims 8 and 9 remain under rejection. Claims 8 and 9 have been rejected over the screw head of Hachmann. However, there is no varying thickness from one side of the screw head to the other from a relatively thin edge varying to a thicker edge. This clearly eliminates the screw head of Hachmann. Both claims 8 and 9 thus should also be allowable and such action is respectfully requested.

The Commissioner is hereby authorized to charge any additional fees which may be required, now or in the future, or credit any overpayment to Account No. 50-2638. Please ensure that the Attorney Docket Number is referred to when charging any payments or credits for this case.

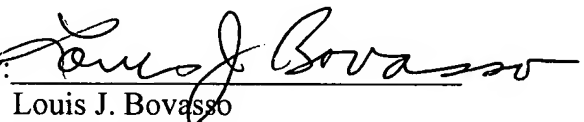

Respectfully submitted,
